

VISION AND MISSION STATEMENT

1. VISION

To ensure that every child at Tafelberg receives quality education with the best professional and educational intervention required to effectively realise their potential, in an environment which makes all children feel loved, competent and independent.

2. MISSION

In order to achieve this, Tafelberg school will strive to:

- a) create a well-resourced, safe and disciplined environment for both teachers and learners, in which quality teaching and learning can be realised at Tafelberg
- b) develop and nurture the values of respect, responsibility, honesty and care within our school community
- c) develop self-discipline and sound work ethics in all our learners
- d) encourage the development of learners in the academic, sport and cultural spheres
- e) create an environment which fosters team work and tolerance
- f) assist and equip schools, parents and local communities with the necessary knowledge to deal with barriers to education, particularly with respect to Specific Learning Difficulties

Our vision will only be realised if the learners, school, parents and WCED work together and support each other in carrying out our mission.
